

REPORT ON CLEANLINESS DRIVE

On 3rd December 2016 'Cleanliness Drive' started with the pledge which was taken by the Principal, teachers & students. The School Council under the supervision of 339 Med Regiment under took a cleanliness drive outside the school campus. They were accompanied by two teachers Mrs Anita Sharma & Mrs. Kiran. Before the commencement of drive, the experts from 339 Med Regiment briefed about how to sort the waste and how the waste is to be disposed off. As children moved out of the school premises first of all we were provided with the gloves & dustbins. All the members along with the teachers contributed to clean the surroundings with full zeal. Without any hesitation every one picked up the wrappers, juice boxes , peels , etc and put their great efforts for making this cleanliness drive successful.
